Please summarise the candidate's job responsibilities within the company:

Share your opinion regarding the candidate's skills and limitations:

What is the basis of the arrangement, even if purely financial, on which the company agrees to support the candidate's participation in the Global EMBA program?

What are the company's objectives in supporting this candidate's participation in the EMFBRE program?

Have these objectives been discussed with the candidate?

Does the company have an organised plan of career development for its personnel? What is the nature of the plan?

Please share other observations:

The company declares that it knows and accepts the conditions governing admission and participation in the Global EMBA program. In addition, it declares that the information contained in this application is complete and truthful.

In the case of the candidate being accepted to the program, payment of tuition will be carried out:

by the company

by the participant
